Chapter 15

Case No. 25-_____()

**APPLICATION OF FOREIGN REPRESENTATIVE FOR
ORDER (I) SCHEDULING HEARING ON VERIFIED PETITION OF
ASBESTOS CORPORATION LIMITED AND MOTION FOR RECOGNITION
AND (II) SPECIFYING FORM AND MANNER OF SERVICE AND NOTICE**

¹ The Debtor in this chapter 15 case, along with its unique identifier, is Asbestos Corporation Limited (Canadian Federal Business Number: 104903273RC0001). The Debtor has a registered and business address in Canada of 840 Boul. Ouellet, Thetford Mines, QC G6G 7A5, Canada.

Raymond Chabot Inc., in its capacity as the authorized foreign representative (in such capacity, the “**Foreign Representative**,” or “**Petitioner**”)² of Asbestos Corporation Limited (“**ACL**” or the “**Debtor**”), an entity in an insolvency proceeding pending in the Superior Court of Québec (the “**Canadian Court**”) pursuant to the Companies’ Creditors Arrangement Act (the “**CCAA Proceeding**”), by and through its undersigned counsel, respectfully submits this application (the “**Application**”) for an order (the “**Scheduling Order**”) (a) scheduling a hearing to consider the relief sought in the Chapter 15 Petition for Recognition of Foreign Proceeding (Official Form 401) (the “**Petition**”) [ECF No. 1] and the concurrently filed *Verified Petition and Motion of Foreign Representative for (A) Recognition of CCAA Proceeding as a Foreign Main Proceeding or, in the Alternative, as a Foreign Nonmain Proceeding, and (B) Certain Related Relief* in support thereof [ECF No. 4] (referred to herein, together with the Petition, as the “**Verified Petition**”); and (b) specifying the form and manner of service thereof. In support of this Application the Petitioner respectfully represents as follows:

JURISDICTION

1. The United States Bankruptcy Court for the Southern District of New York (the “**Court**”) has jurisdiction to consider the Application pursuant to 28 U.S.C. §§ 157 and 1334 and section 1501 of title 11 of the United States Code (the “**Bankruptcy Code**”), as well as the Amended Standing Order of Reference dated January 31, 2012, Reference M-431, *In re Standing Order of Reference Re: Title 11*, 12 Misc. 00032 (S.D.N.Y. Feb. 2, 2012) (Preska, C.J.). This matter is a core proceeding pursuant to 28 U.S.C. § 157(b). Venue is proper in this Court pursuant to 28 U.S.C. § 1410. The statutory predicates for the relief requested herein are section 1515 of the Bankruptcy Code and Rules 1007(a)(4), 2002(l), 2002(m), 2002(p), 9007 and 9008 of the Federal Rules of Bankruptcy Procedure (the “**Bankruptcy Rules**”).

² Capitalized terms used but not defined herein shall have the meaning given to such terms in the Verified Petition (as defined below) filed contemporaneously herewith.

BACKGROUND

2. The relevant factual background with respect to the relief sought in this Application is set forth in the Verified Petition and the *Declaration of Ayman Chabaan Pursuant to 28 U.S.C. § 1746* [ECF No. 2]. The Court may find therein a description of the CCAA Proceeding and the Debtor's activities, business, corporate and capital structure, and the circumstances leading to the commencement of the CCAA Proceeding.

RELIEF REQUESTED

3. Through this Application, the Petitioner requests entry of an order substantially in the form attached hereto as Exhibit A (the "**Proposed Order**"): (a) scheduling a hearing (the "**Recognition Hearing**") for June 2, 2025, or as soon thereafter as the Court's calendar permits, to consider the relief sought in the Verified Petition; (b) setting 4:00 p.m. (Eastern Time) on the day that is seven (7) days before the Recognition Hearing, as the deadline by which all responses and objections to the Verified Petition must be filed (the "**Objection Deadline**"); (c) setting 12 p.m. (Eastern Time) on the day that is three (3) days before the Recognition Hearing as the deadline by which any replies in support of the Verified Petition must be received (the "**Reply Deadline**"), (d) approving the form of notice of the Recognition Hearing substantially in the form attached hereto as Exhibit B (the "**Notice**"), (e) approving the manner of service of the Notice described herein, including by way of publication (f) approving the manner of service consistent with Bankruptcy Rule 2002(q) of any further pleadings that the Petitioner files in this Chapter 15 Case, and (g) granting related relief.

4. Specifically, the Petitioner proposes to cause Kroll, LLC (the "**Information Agent**") to serve the Notice and the Verified Petition (together, the "**Notice Documents**") on or before two days after entry of Scheduling Order by email (to the extent that the relevant email address is available) or United States mail, first-class postage prepaid (or equivalent service) on the following entities (collectively, the "**Notice Parties**"): (i) the Debtor, or counsel to the Debtor (ii) the Office of the United States Trustee for the Southern District of New York, (iii) the plaintiffs in known, currently pending litigation against ACL in the United States or their counsel, as listed

in Exhibit C attached hereto (the “**Litigation Parties**”), (iv) the South Carolina Receiver and his counsel, (v) Charles Foreman, Chapter 7 Trustee for the estate of National Services Industries, Inc. and his counsel, (vi) all other parties that request notice in the Chapter 15 Cases as of the date of such service or their counsel, and (vii) any other such entities as this Court may direct. Additionally the Petitioner will publish the Notice in the *Wall Street Journal (National Edition)* (the “**Publication Notice**”) within two days of the Scheduling Order being entered, for review by all of the Debtor’s stakeholders.

BASIS FOR RELIEF

5. Bankruptcy Rule 2002(q)(1) provides that the parties identified therein must be given at least 21 days’ notice of a hearing to consider the petition for recognition of a foreign proceeding. Bankruptcy Rules 2002(m) and 9007 provide, among other things, that when notice is to be given under the Bankruptcy Rules, the Court shall designate the form and manner in which such notice shall be given (unless otherwise specified in the Bankruptcy Rules). Fed. R. Bankr. P. 2002(m), 9007. Although Bankruptcy Rule 2002(q) provides that the parties identified therein must receive at least 21 days’ notice by mail of the hearing on the petition for recognition of a foreign proceeding, it does not specify the form and manner in which such notice must be given.

6. Because some of the Notice Parties may have foreign addresses, Bankruptcy Rule 2002(p) may be applicable. Bankruptcy Rule 2002(p) provides that the Office of the United States Trustee, a party in interest, or this Court may determine that supplemental notice is appropriate to ensure that parties with foreign addresses receive sufficient notice in a bankruptcy case. The Foreign Representative believes that supplementing the notice required by the Bankruptcy Rules by publishing the Notice in *Wall Street Journal (National Edition)* no later than two days after entry of the Scheduling Order would ensure that sufficient notice of the Verified Petition, the time fixed for filing objections to the relief sought in the Chapter 15 Petition, and the time, date, and place or access information of the Recognition Hearing, is provided to persons who might not otherwise receive notice. Bankruptcy Rule 2002(l) permits the Court to “order notice by

publication if it finds that notice by mail is impracticable or that it is desirable to supplement the notice.” Fed. R. Bankr. P. 2002(l).

7. The Petitioner respectfully submits that proposed service of the Notice Documents on the Petitioner’s behalf by the Information Agent by email (to the extent that the relevant email address is available) or United States mail, first-class postage prepaid (or equivalent service), in addition to the proposed Publication Notice, constitutes adequate and sufficient notice of this Chapter 15 Case, the relief sought in the Verified Petition, the time fixed for filing objections to the relief sought in the Verified Petition, and the time, date, and place of the Recognition Hearing. Further, the Petitioner respectfully submits that service of all further pleadings that it files, and serves or causes the Information to serve in this Chapter 15 Case by email (to the extent that the relevant email address is available) or United States mail, first-class postage prepaid (or equivalent service) to the Notice Parties constitutes adequate and sufficient notice of such pleadings and any relief sought therein.

8. Thus, the Petitioner respectfully requests that the Court approve the foregoing manner of service of the Notice Documents pursuant to Bankruptcy Rules 2002(m), 2002(q)(1) and 9007.

9. Bankruptcy Code section 1517(c) provides that a petition for recognition shall be decided “at the earliest possible time.” 11 U.S.C. § 1517. Moreover, Bankruptcy Rule 1012(b) provides that a party objecting to a petition filed to commence an ancillary proceeding under chapter 15 of the Bankruptcy Code has until seven days before the date set for hearing to respond, unless the court orders otherwise. See Fed. R. Bankr. P. 1012(b). Finally, Bankruptcy Rule 2002(q)(1) provides that parties are to be given twenty-one (21) days’ notice of a hearing on a chapter 15 petition. See Fed. R. Bankr. P. 2002(q)(1). In light of these requirements, the Petitioner respectfully submits that setting (i) June 2, 2025 (or as soon thereafter as the Court’s calendar permits) as the date for the Recognition Hearing, (ii) 4:00 p.m. (Eastern Time) on the day that is seven (7) days before the Recognition Hearing as the Objection Deadline and (iii) 12 p.m. (Eastern Time) on the day that is three (3) days before the Recognition Hearing as the Reply Deadline.

Additionally, if no objections to the Verified Petition are filed by the Objection Date, Petitioners request that the Court enter the proposed *Order (I) Recognizing the CCAA Proceeding as a Foreign Main Proceeding and (II) Granting Related Relief* without a hearing as authorized by Local Bankruptcy Rule 9013-3.

10. The Petitioner requests that the Court also require that objections or answers, if any, in response to the Verified Petition be made in writing and set forth the basis of such response or objection and shall be filed with the Court electronically in accordance with General Order M-399 and this Court's Procedures for the Filing, Signing and Verification of Documents by Electronic Means (a copy of each of which may be viewed on this Court's website at www.nysb.uscourts.gov), with a hard copy provided to the Chambers of the United States Bankruptcy Judge assigned to the above-captioned case, and served on Michael Trentin, Esq., Orrick, Herrington & Sutcliffe LLP, 51 West 52nd Street, New York, New York 10019 (email: ACLChapter15_OHS@orrick.com), Attorney for the Petitioner, and each of the Notice Parties so as to be received on or before 4:00 p.m. (Eastern Time) on the day that is seven (7) days before the Recognition Hearing.

11. The Petitioner further requests that the Court waive the requirements set forth in section 1514(c) of the Bankruptcy Code, which provides that when notification of the commencement of a case is to be given to foreign creditors, such notification shall, *inter alia*, indicate the time period for filing proofs of claim, specify the place for filing such proofs of claim and indicate whether secured creditors need to file proofs of claim. *See* 11 U.S.C. § 1514(c). It is not clear, however, that section 1514 applies in the context of ancillary cases under chapter 15. As explained in a leading treatise on bankruptcy law, section 1514 is the "last in a series of sections dealing with the international aspects of cases under chapters other than chapter 15 that began with section 1511." 8 Collier on Bankruptcy ¶ 1514.01 (Alan N. Resnick & Henry J. Sommer eds., 16th ed.). However, out of an abundance of caution the Petitioners respectfully request that such

requirements be waived in this instance.³ Because claims will be handled through the CCAA Proceeding, waiving these requirements and allowing foreign claims to be heard in the CCAA Proceeding is consistent with principles of comity and cooperation among courts, as well as the ancillary nature of this Chapter 15 Case.

12. Moreover, Rule 1007(b) of the Bankruptcy Rules instructs debtors to file certain schedules, statements and other documents “[e]xcept in a chapter 9 municipality case.” *See* Fed. R. Bankr. P. 1007(b). As with section 1514, however, it is not clear that Rule 1007(b) applies in chapter 15 cases. Out of an abundance of caution, the Petitioner respectfully requests that these requirements also be waived.

NO PRIOR REQUEST

13. No previous request for the relief requested herein has been made to this or any other Court.

[remainder of page intentionally left blank]

³ Courts in this district have granted such requests. *See* Order Pursuant to Federal Rules of Bankruptcy Procedure 2002 and 9007 Scheduling Evidentiary Recognition Hearing and Specifying Form and Manner of Service and Notice, *In Re Unigel Participações S.A.*, Case No. 24–11982 (MG) (Bankr. P. 2002 and 9007 Scheduling Recognition Hearing and Specifying Form and Manner of Service of Notice, *In re ODN I Perfurações Ltda.*, Case No. 23-10557 (DSJ) (Bankr. S.D.N.Y. S.D.N.Y. Nov. 25, 2020), ECF No. 10.

CONCLUSION

WHEREFORE, the Petitioner requests the Court: (i) enter an order in the form of the Proposed Order (a) setting a hearing date to consider the Verified Petition and (b) approving the form of Notice and the manner of service described herein; and that the Court (ii) grant such other and further relief as may be just and proper.
